*Members can authorize CESFCU to extend their final loan payment by one or two months annually. No payment will be required on your loan in the month(s) skipped; however, you will be required to resume your regularly scheduled payment(s) the following month. There is a $25.00 non-refundable processing fee per loan per month skipped. Interest will continue to accrue on the loan(s) during the month(s) skipped. Loan payments made through Payroll Deduction, Direct Deposit or ACH will be deposited into the Savings Account for the month(s) skipped. If accounts/loans at the credit union are not in good standing, this request is invalid. The first full contractual payment must be applied to the loan before being considered for a skip payment. If the processing fee is not included with the Skip A Pay application, the request will be denied, and the regular payment(s) will be required (or applied in the case of an automatic payment). A maximum of two skip payments are available per loan each calendar year. CESFCU reserves the right to deny any request. Multiple skips may reduce potential GAP claim or credit insurance benefits. Contact your provider for details. **VISA loans are excluded.***
